It is my pleasure to warmly welcome you to Málaga, Spain. I am proud to host this exceptional event, bringing together leading experts and pioneers of the long-hair FUE technique, who will generously share their knowledge and expertise to advance our practice.

On behalf of the organizing committee, I would like to extend my deepest gratitude to all participants, as well as to the professors, nurses, technicians, and sponsors who have made this first international workshop on long-hair FUE possible. We trust that these three days will be enriching, inspiring, and above all, unforgettable for everyone.
